

# STANDARD OAK FRAME

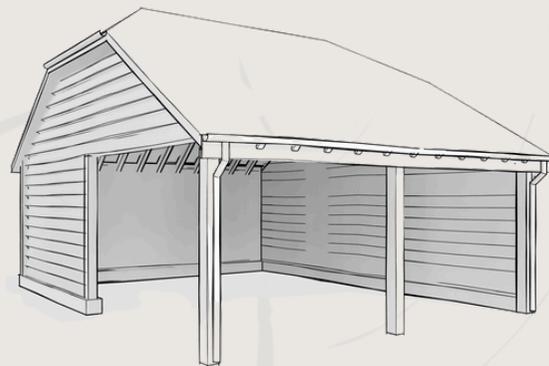

## SINGLE STOREY GARAGE RANGE

Keep your precious car secure, dry and tucked out of view with a timeless oak framed garage. It's the perfect place to potter with a cherished classic - overalls on, a mug of tea to hand, toolkit within easy reach. Your custom-built oak framed garage can be as well-equipped as you need it to be - with full services and a car charging point or an off-grid refuge, powered by solar panels. Take a look at our standard range to get you started and add additional bays or optional features as required.

CLASSICALLY CRAFTED FOR MODERN LIVING

# THE HOLLYWATER

## SINGLE STOREY GARAGE

This spacious frame provides space for 2 cars, alongside an additional secured bay that can be used as a workshop or store. The catslide design ensures the building has minimal visual impact whilst still retaining space for the parking of multiple modern vehicles.

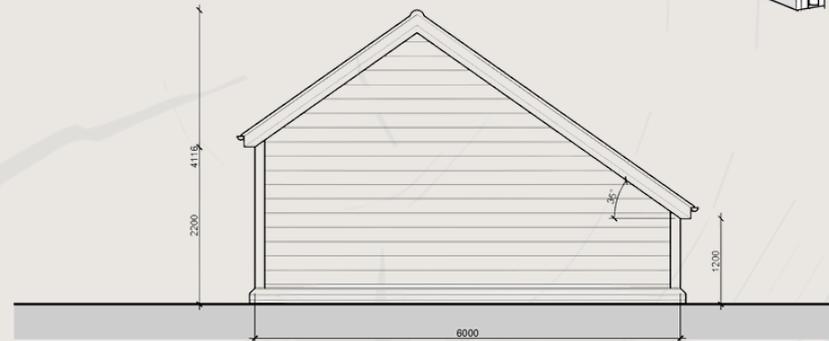

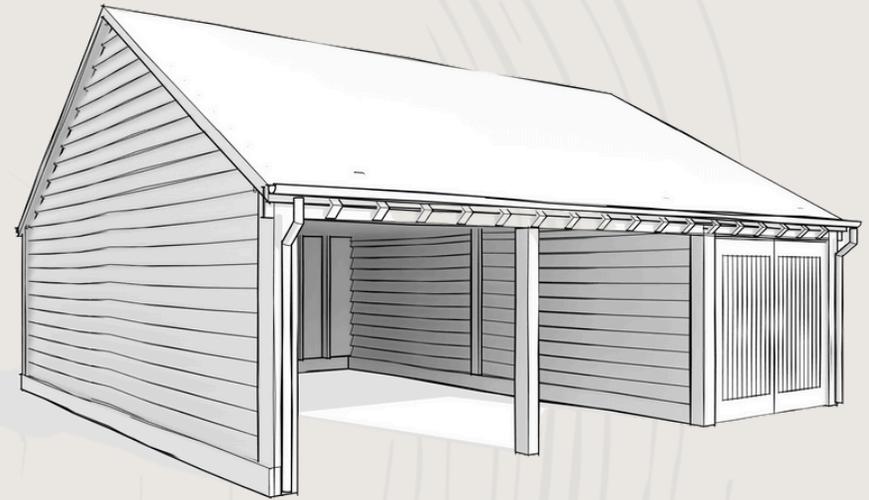

### FEATURES

- Secure storage bay
- Oak cladding to open bays
- 10 Year warranty
- Optional extras available

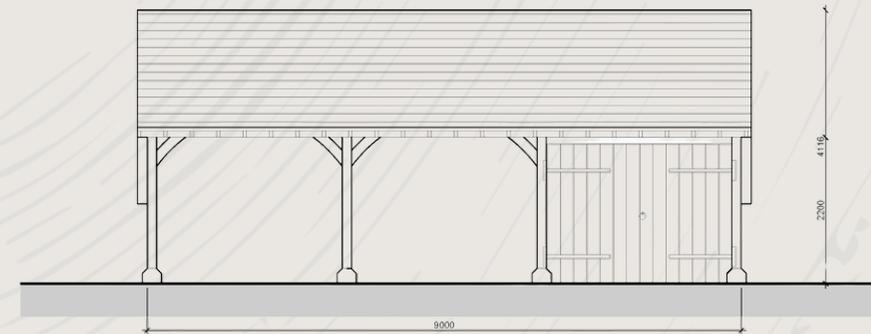

### OPTIONAL EXTRAS

- Secure Roller Shutters
- Up and over electric oak doors
- Choice of roof tiles
- EV car charging unit
- Log store to side
- Painted softwood cladding
- Planning permission and building regs packages

Starting price - £58,000 ex VAT\*

# THE HOLLYBOURNE

## SINGLE STOREY GARAGE

This simplistic design sits equally well within large rural properties as it does within more urban areas. As with all of our garages we can tailor every aspect of the build to accommodate the range of vehicles being stored. And if you're looking for car charging points or additional internal shelving please let us know. We can discuss all the options with you to make your garage as efficient as possible whilst also looking beautiful within in its surroundings.

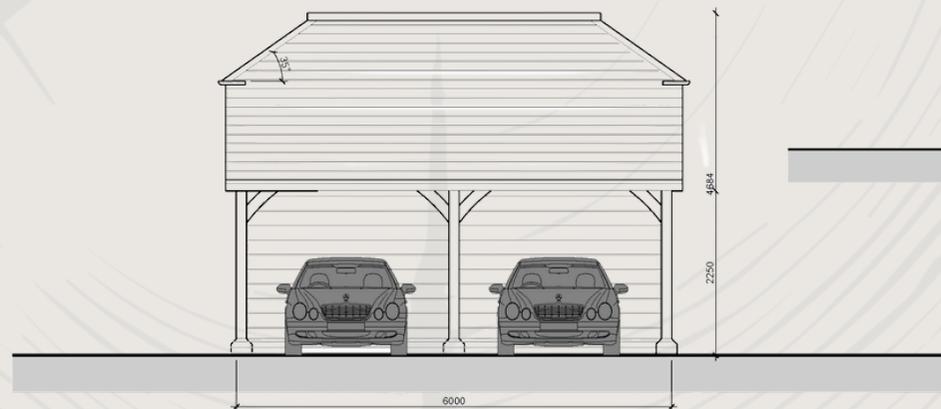

### FEATURES

- Traditional Style Barn Hip roof
- Oak feather edge cladding
- 10 Year warranty
- Optional extras available

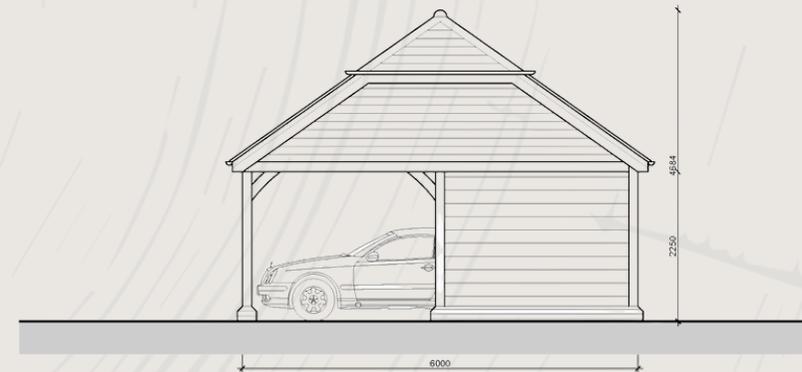

### OPTIONAL EXTRAS

- Secure Roller Shutters
- Up and over electric oak doors
- EV Car charging units
- Log store to side
- Choice of roof tiles
- Painted softwood cladding
- Planning permission and building regs packages

Starting price - £41,000 ex VAT\*

CLASSICALLY CRAFTED FOR MODERN LIVING

# THE CHAWTON

## SINGLE STOREY GARAGE

A traditional 3 bay oak frame combined with a central contemporary style, glazed gable window, providing increased light with a vaulted roof. This design offers an excellent and flexible space that can be used as a large workshop, an outdoor games room, simply a standard 3 bay garage for car protection or a combination of the three.

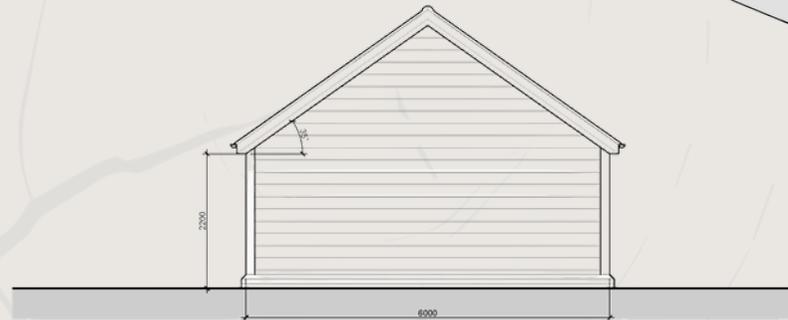

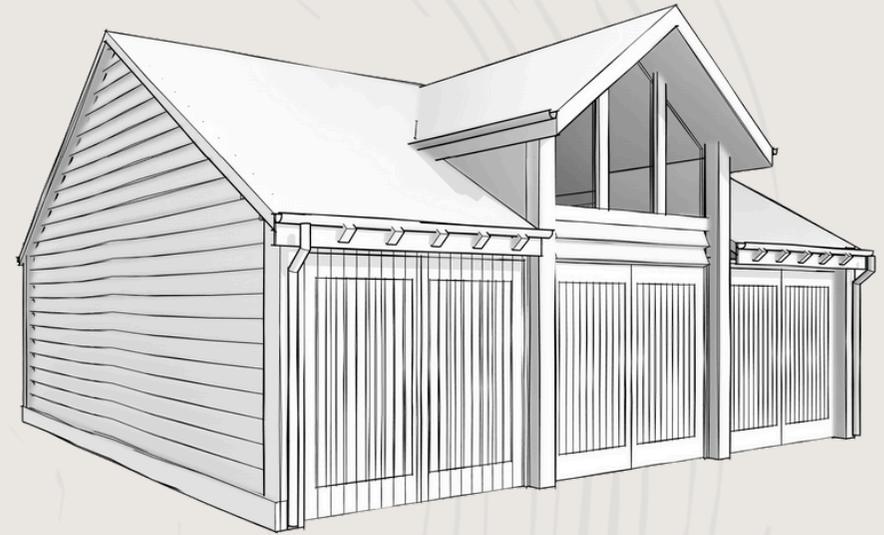

### FEATURES

- Glazed Front Dormer Window
- 3 Side hung rustic garage doors
- 10 year warranty
- Optional extras available

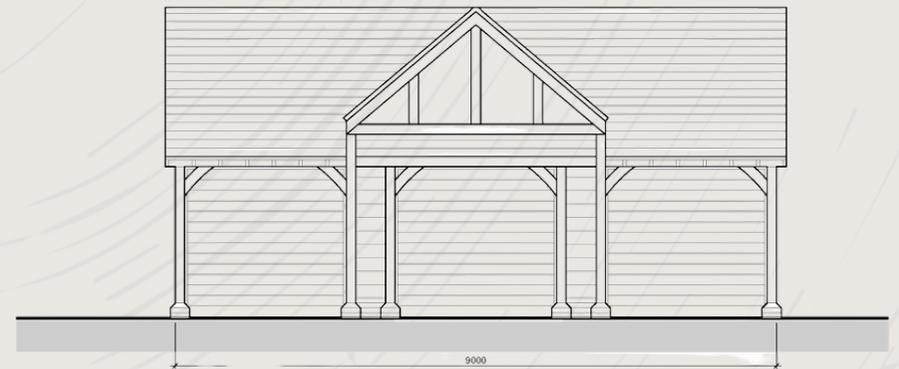

### OPTIONAL EXTRAS

- Secure roller shutters
- Up and Over electric oak doors
- EV car charging unit
- Log store to side
- Choice of roof tiles
- Painted softwood cladding
- Planning permission and building regs packages

Starting price - £62,000 ex VAT\*
